How do I set up my eMail account under Thunderbird 10 ?

When setting up Mozilla Thunderbird 10 first you will be supported by an account wizard.

,

If you would like to add another eMail account later you'll have to call up the wizard manually.
Click **Tools > Account Settings > Account Actions > Add Mail Account**... and the wizard will be started.
Please click the "Next" button.

Use the data for your eMail account from the EUserv customer center...
